Are You Ready For MACRA?

Spotlight Session:
Saturday, February 20th
7:00 am – 7:45 am

This session will provide an overview of the strategies and tactics that practices should consider in preparing for the implementation of MACRA. The payment alternatives available to physicians will be discussed as well as strategies to align physician compensation to the MACRA requirements. Additionally, practice operations initiatives that qualify for the practice improvement requirement outlined in MACRA and coding considerations will be detailed. If your practice needs assistance in understanding MACRA and organizing to be successful in its implementation – please join us for this important breakfast session.

As the nation's leading cardiovascular performance community, MedAxiom provides expert consulting, networking and membership services including data analytics, program excellence tools and educational events to improve business and patient care outcomes.

This community-based organization is led by a team of cardiovascular industry executives, administrators and clinicians who help its members, clients and partners navigate the complexities of modern health care delivery.
